

IDITAROD TRAIL COMMITTEE, INC.
QUESTIONNAIRE

June 2009

Name _____ Phone _____
(please print)

Please indicate your interest in any of the options listed below and return this form along with the rest of your paperwork when you sign up.

_____ I would like to have help with booties. Please put me in contact with an individual who wants to make booties for a musher. (This will not work for you unless you sign up during the summer.)

Note: If you ask for this and I send you a name, please contact them right away. Let them know, however you can, that you appreciate what they are doing. In the past, a couple of mushers have kept volunteer bootie makers hanging. Don't do that!

_____ Call me if someone is cleaning out a freezer. I can arrange to pick up their meat or fish.

_____ Call me only if some one has over _____ pounds of meat or fish that they are giving away. Don't call me for any lesser amount than I have indicated.

_____ Call me if someone has a dead horse they want picked up or if they have a horse that they want to have put down.

_____ I'm looking for a handler. Please give my number to anyone who calls and wants to learn about mushing by working with a musher. **(Please advise us when you get a handler so we won't keep giving out your number.)**

_____ If out of state mushers call you looking for dogs to use for Iditarod, give them my number. I have dogs for sale.

_____ I have a team to lease and will/will not train. Have interested mushers contact me.

_____ I am interested in helping a Jr. Iditarod musher.

_____ On occasion, we get requests for mushers to speak at various events. Please let us know if that is something you are interested in doing.
