

5 Little Huskies

Five little huskies were sleeping in the snow.

The first one said, "Wake up, let's go!"

The second one said, "The snow is deep!"

The third one said, "We have booties on our feet!"

The fourth one said, "We love to run!"

The fifth one said, "It's Iditarod fun!"

Then ring went the bell and the driver said, "Mush!"

Then the five little huskies ran away in a rush!
