

Dear **Student,**

As you travel the world learning about exciting people, places, and cultures, make sure you have your Passport Journal with you at all times! While experiencing your journeys fill this passport with your discoveries about people, countries, new words, what the climate or weather is like, what the plants and animals or like, and more.

Have fun sharing your thoughts and ideas with your teachers, family and friends. Enjoy your adventure!

**Congratulations,
you are a world traveler!**
