

dog sled trip fundraising

Name _____

1. What is YOUR cost for the trip? _____
2. List possible activities to raise money for your trip:
3. Circle those that have a cost to you. How could you do this activity at no cost to you?
4. Choose an activity and decide the price you'll charge.
5. Figure out how many times, how much, or how many you'll need to sell to earn enough to pay for YOUR part of the trip. Show your equation and work here. If the amount of times/items seems high, can you adjust your price? If the price is too high, will it be a successful fundraiser?
6. List items you will need to conduct your fundraiser.
7. How will you advertise your fundraiser? (some types of advertising will cost you)
8. On the back, design an ad you would use to advertise your fundraiser.
